OFFICIAL PAPER OF ALLEN COUNTY.

CHAS. F. SCOTT.

Published every Friday.
Entered in postoffice at Iola as 2d class matter.

INDICATIONS are that the proposition for a Constitutional convention in this State has been defeated. This will save Prohibition to the smaller towns of the State, although Jeweling's election has emboldened joint keepers to start up openly already in Ft. Scott and the other large cities.

K. C. Journal: It is said that President Harrison is so immersed in grief at the death of his wife that he feels little concern over his defeat for the presidency. There are sorrows which reach much deeper into the heart than political reverses.

W. C. T. U. Notes

Under the madness of intoxicating liquor sent from Massachusetts 200 of those of Congo, Africa, slaughtered each other in a single day. Again we are told of a single gallon of this drink causing a fight in which fifty were killed. Judas sold his Lord for \$17.00 but America hurries fifty souls to the bar of God for ninety cents.—*Herald and Presbyter.*

Linnæus: Man sinks gradually by this poison (alcohol); first he favors it, then he warms to it, then he burns for it, then he is consumed by it.

The new House of Commons contains two hundred and thirty-seven known supporters of the anti-opium bill.

The liquor dealers, it is reported, spent two and a half million dollars in trying to defeat Gladstone's party in Great Britain, and his success was followed by a heavy decline in brewery stocks. The explanation of the latter fact is that 234 members of the new Parliament are pledged to local option,—called there "the direct veto." This is the strongest rally temperance has ever made in Parliament, being a net gain of fifty-two.

A strong total abstinence movement is in progress in the western provinces of Russia. In St. Petersburg there is said to be an abstinence society with six hundred members. No less than eight thousand have been established in the most important parts of the city, and an inebriate asylum is also contemplated.

That a majority of the Presbyterian churches use unfermented wine at communion was declared to be a fact by the temperance committee of the Presbyterian General Assembly at Portland, Oregon.

A Massachusetts manufacturer, in payment of his seven hundred operatives, gave each one a crisp ten dollar bill. Each bill was marked so that it could be recognized. The Tuesday following, four hundred and ten of these bills had been deposited in the bank by the saloon keepers.

Bishop Fitzgerald, of the Methodist Church South, uses the following eloquent words for truth and righteousness: "The Christian people of America will preserve our Christian Sabbath; they will purify the ballot; they will substitute a rational civil service for our present spoils system; they will keep the star spangled banner floating over every acre of a united country; they will hasten the day when a unified Christianity will herald the universal reign of Christ on earth."

WALLACE JAY.

Sabbath morning November 13, 1892, at the home of his parents near Maple Grove east of Humboldt, after a painful illness of three weeks, of typhoid fever, Wallace, youngest son of Eliza and Hannah Jay, in the eighteenth year of his age.

Wallace was a boy of an amiable disposition and a noble character, he had been a consistent member of the M. E. Church at Maple Grove for several years, having given his heart to Jesus when quite young. He was also a member of the Epworth League and is the first one of its members called to the other shore, as it is also the first break in his class of boys in the Sunday School.

He will be sadly missed in the church, S. S. and in the school of which he has been so earnestly striving to gain an education, but above all in the home which is so bereft, but Christ alone can heal the wounded hearts. He was the first of the family taken and is waiting on the golden shore for the others, father, mother and three brothers. The funeral services were held at the family residence Monday, conducted by Rev. White of Humboldt assisted by Rev. Budd of Buffalo. The floral offerings were beautiful.

The remains were followed to their last resting place in the Maple Grove Cemetery, by a large number of sympathizing relatives, his teacher, Mrs. Estey, the members of his class in the Humboldt school, and many other friends. We extend to the family our heartfelt sympathy.

"Dear Wallace, thou hast left us.
Here thy love we deeply feel.
But 'tis that that has bereft us.
He can all our sorrows heal."

A FRIEND.

MRS. C. R. PECK.

EDITOR REGISTER: One of the very saddest occurrences on our side of the river was the death and funeral services of Mrs. C. R. Peck which took place on the 7th of this month (November).

Mrs. Peck came to Kansas some sixteen years ago, came with her parents, and husband, then young, whose name she bore and as it has been the writer's pleasure to be about Mr. and Mrs. Peck's home a good deal during their sojourn here I cannot refrain from saying a word in honor of her. Mrs. Peck was a kind hearted generous neighbor, an industrious hard working economical housewife, and a model mother to her children four of which she leaves with their papa, two boys and two girls, and their good behavior when at home and in company shows by what sort of a mother they were taught. Mrs. Peck was a daughter of Mr. and

School Notes.

The young ladies of the Clonian Club will give an exercise in the high school room next Tuesday evening. The program is given elsewhere in this paper.

Our young people are making marked strides in the direction of preparation for citizenship, by giving attention to debating. The young men of the Lyceum League two weeks ago publicly debated the National bank question. The Clonian Club have two debates by members of their club in prospect.

The Lyceum League meets weekly now on Tuesday evening. A general debate and study of parliamentary law will be the evening. The young men are becoming quite fearless debaters.

WALTER C. JEWELL.
Walter C. Jewell died November 7, 1892. The deceased was born in Talladega, Alabama Oct. 10, 1870. His parents removed to Tennessee, before his recollection, and to Kansas when he was twelve years of age. He gave himself to Christ and united with his people before he was fifteen. He was not afraid to die, but pleaded very earnestly to be spared to the loved wife with whom he had been united in marriage only nine brief months. His health had been poor all summer, and when attacked by acute disease the system had no power to rally. After seven weary weeks of suffering, he entered into rest, leaving a darkened and desolate home.

DAVID WILSON.
The funeral service of David Wilson took place last Tuesday afternoon at his residence near this city, conducted by Rev. A. S. Freed. Mr. Wilson was born in Indiana, Nov. 12th, 1830, and died Nov. 13th, 1892, aged 62 years and 1 day. He was married to Miss Lettie Cooper, Jan. 22, 1864. In early life he joined the Baptist church, and for years lived a consistent Christian. About six years ago he moved from the East to Western Kansas, and about one year ago moved to his farm 1 mile north of town. He leaves to mourn his loss a wife, and two little girls, aged 4 and 7 years. Mrs. Wilson has the sympathy of the entire community in her bereavement.

Mondamin.
The weather and the Relief Corps entertainment Tuesday evening combined to diminish the size of the audience who assembled on Wednesday evening at the Opera House to solve the mystery of Mondamin. It was discovered that Mondamin is the Indian name, or name, and the audience found assembled upon the stage a party of young people to celebrate the "Festival of Mondamin" by an old fashioned husking bee. The hosts were Uncle Zeke—whose autumn locks and ringing tones soon betrayed Percy Harris—and Aunt Jennimah, in whom was easily recognized Miss Eunice Jennings. Having got the husking under way, the guests prevailed upon Priscilla, a city cousin impersonated by Miss Anna Moore, to "speak a piece," which she did in a manner that was uproariously commended by her audience. Next they asked Margaret Holstead another city cousin who looked like Miss Nellie Smeltzer to sing a song, which she consented to do if Rachel, represented by the "fiddle" and they would all "join in on the chorus." Next Uncle Zeke fondly informed them that "his daughter Tabithy" could speak better than anybody, and those who have heard Miss Clara Welch speak before are inclined to believe him. When Miss Welch had finished, someone suggested that "Sallie kin sing" and the company then clamored for Sallie. Miss Lola Smeltzer responded in her usual pleasing manner. The rest of the entertainment was a piece of "punkin pie" all around which may be said to have been performed principally by W. H. Hanks, as Sam Hanks, fresh from the Green mountains very fresh. Then the old game of "Weevily Wheat" closed the evening. At the patronage of the supper tables was very poor the ladies announced that they would serve dinner at the same place Thursday noon to dispose of their good things.

A DRUGGIST TALKS.
Will F. Crawford, druggist at Des Moines, Iowa, says it is remarkable the way Cubeb Cough Cure sells, that his customers speak of it in the highest terms of praise. On man in particular who has been troubled with bronchitis for years never found any relief until he used the Cubeb Cough Cure. He says it stopped it at once. He doesn't hesitate to recommend it for all throat and lung troubles. Evans Bros.

All persons who owe me and have had a notice of the same will save themselves trouble by calling immediately. I have been lenient with you but now you must fix up. Your habit of paying no attention to a notice when sent you is played out and must be done away with. Do as you wish to be done by. A word to the wise should be sufficient. A. W. BECK.

CORRESPONDENCE.

From Registered Reporters—What is Being Done Throughout The County—Events and Gossip of the Week.

Prairie Hall.
The latest from the front says "we are a party are defeated." Nevertheless we are like the fellow who when this girl told him to ad-
dure him she said, "I will not do until I have
so if we are defeated we will shake hands
across the political chasm and wish them well.
We regret to learn of the serious illness of the
teacher of Allen Center.

Our protracted meeting is in progress. Bro. Cagle is full of God's loving power.
Nursery Jackson and J. W. Gullett were hauling coal from Moran last week.
The Ladies Aid Society had quite a pleasant time at Miss Mitchell's this week, although many were absent.

We regret to learn of Walter Jewell's death. He was a brother-in-law of Miss Furnham, of our community.
Quite a number of plows are going, although it is quite dry.
A new person will soon be able to be out among us again.

Mrs. John Ford is visiting friends in this community. Her home is still in Oklahoma.
Word was received last week that Mr. Rich, father of Daniel Rich, formerly of this community, had died at the advanced age of 81 years, at his home in the Indian Territory.
The farmers in this community are nearly all done husking corn. The yield is not as large as at first expected.
Harry Becken made a flying trip to Iola last week and brought back the political news of the day.

They say there are eighteen school teachers in Allen county down sick with the typhoid fever. It must be of a cerebral nature if all smart people are affected. Doubtless this will be the case. An ill wind that blows nobody good.
Died, at Pittsburg, Kans., Nov. 15, 1892, Nannie Walker, sister of Mrs. L. J. Walker and the Walker brothers of this community, and was at one time a resident in this vicinity. Her husband had been prostrated with the fever and she nursed him as long as she had strength and was taken to her death. She leaves six little children as an orphans all they could for her. Her husband was a man of great strength and was a member of the Methodist church. And why a member should be taken from her children when she is so needed is one of the mysteries that never will be revealed to mortal man. But time will reveal all this in that great eternity. The relatives have the sympathy of their friends in the community.

O, for your precious, bright eyed darlings,
Who on earth can ever love them.
With the love their mother gave?
MOTHERS.

County Line.
The election's over like a horse race, and the result is paralyzing to any legal American citizen. Still we correspond to a Republican, who says he will be a Republican.

Mrs. Wesley Childs has vacated the Rees house and has moved to the Rock Creek school house on Saturday nights from now on. Every body is invited to come. Doubtless this will be quite convenient as the Childs Bros. do quite a business shipping hay from that point. Mrs. Childs is expected to make his future home.

Miss Nancy Waters of Anderson county spent three or four days last week with Mrs. L. S. Palmer.

Mr. Baruch Dickerson purchased a Steam Engine and separator of Mr. Ruble some time ago with the view of using it at Rock Creek, in doing some threshing in our neighborhood.

Mrs. Sarah P. Bowman, we are glad to learn has at last received the benefit of her husband's Life Insurance Policy.

Mr. Chas. Kiehn and Willie Bowman have each got a splinter brand new Harrison farm wagon.

The buyers are quite numerous lately in this part. Mr. Bane and Mr. Roberts of Colony, Mr. Cook and Mr. Roberts of Rock Creek, of Neosho Falls all just about the same time.

Messrs. J. P. Dickey, E. K. Mable, Wm. Palmer and S. F. Palmer have formed another beef combine to eat a yearling heifer apiece.

Mr. G. W. Kelly is entertaining a nephew of his from Missouri.

Fall plowing is in order now and from the way the farmers are improving their time they expect to make a crop independent of the Administration.

We say Stand up for Kansas.

Spring Branch.
Mr. Haddin made a flying trip to Missouri the week before last.

The Campbellites began a protracted meeting at the West house Monday night.

There will be literary at the Rock Creek school house on Saturday nights from now on. Every body is invited to come.

Mr. Nelson is still very low.

Some of the members of Mr. Clark's family have been sick.

Ed Law was thrown from a mule Monday and quite severely hurt.
